Please read **your** Personal Car Policy. It is a binding legal contract between **you** and **us**. The **Application** and **Declarations Page**, and any endorsements issued by **us**, are part of the contract formed by this policy. This policy describes which vehicles and **persons** have coverage, and which vehicles and **persons** do not have coverage. It includes language that excludes, restricts and limits coverage. It also describes the duty to give **us** notice of an **accident** or **loss**, and to notify **us** about changes in vehicles or drivers in **your household**.

**IMPORTANT:** Coverage does not apply under this policy for any **person** who does not comply with all:

1. Notice requirements;
2. Duties; and
3. Policy terms.

Anyone insured under this policy must comply with the policy requirements before coverage applies. Failure to comply may result in a claim or coverage denial.

The last day of any time period required by this policy to make a payment, perform a duty or give notice, may be any day of the year, including a Saturday, Sunday or public holiday.

## INSURING AGREEMENT

If **you** pay **your** premium when due, **we** agree to insure **you**, subject to the terms of this policy, for the coverage shown on the **Declarations Page**, up to the limits of liability.

If **you** make **your** initial payment by check or any method other than cash, coverage under this policy is conditioned upon that initial payment being honored when first presented for payment to **your** bank or financial institution.

## PART I - LIABILITY TO OTHERS

### Insuring Agreement

Subject to the limits of liability, **we** will pay damages, other than **punitive damages**, for:

1. **Bodily injury**, if **you** paid the premium for **bodily injury** coverage for Liability To Others; or
2. **Property damage**, if **you** paid the premium for **property damage** coverage for Liability To Others;

for which any **insured person** becomes legally responsible because of a **car accident**. Damages include prejudgment interest awarded against the **insured person**.

**We** have the right to investigate, negotiate and settle any claim for damages covered by the liability coverage **you** bought as **we** deem appropriate. **We** will settle or defend claims and lawsuits for damages covered under the liability coverage **you** bought as **we** deem proper, with attorneys hired and paid for by **us**.

In addition to **our** limit of liability, **we** will pay all defense costs **we** incur to defend **insured persons** in lawsuits that give rise to claims within the scope of the coverage **you** bought from **us**. **Our** duty to settle or defend ends when **our** limit of liability for damages under the coverage that applies has been paid. **We** have no duty to defend any lawsuit or settle any claim for **bodily injury** or **property damage** not covered under this policy.

### Additional Definition for Part I Only

As used in Part I:

"**Insured person**" or "**insured persons**" means:

6. Any Additional Interest shown on the **Declarations Page**, with respect to liability arising out of the use of the **insured car** by a **person** described above. Inclusion of an Additional Interest Insured shall not increase **our** limit of liability. Coverage for the Additional Interest insured is excess over any other valid insurance. Coverage for an Additional Interest insured is limited to the **insured car** for which the Additional Interest insured has been shown on the **Declarations Page**.

### Additional Payments

When the coverage **you** bought under Part I applies, **we** will pay, for an **insured person**, in addition to **our** limit of liability:

1. All expenses **we** incur in the settlement of any claim.
2. All expenses **we** incur in the defense of any lawsuit alleging claims against an **insured person** that may be covered by this policy.
3. Premiums on appeal bonds and attachment bonds required in any suit **we** defend. **We** have no duty to:
  - a. Pay the premium for any bonds that are more than **our** limit of liability;

  - c. Pay any premium for any appeal bond after **we** have tendered or offered the policy limit in payment of that portion of any judgment that falls within **our** limit of liability.
4. Up to \$100 for a bail bond needed due to an **accident** arising out of the use of an **insured car**. **We** have no duty to apply for or furnish bonds.

5. Upon request from an **insured person**, up to \$50 per day for loss of earnings incurred by an **insured person**, but no other type of income, due to attendance at hearings or trials at **our** request.
6. Other reasonable expenses, other than loss of earnings, incurred at **our** written request and to which **we** have agreed in advance in writing to pay.

### Exclusions

Coverage for Liability to Others and **our** duty to defend do not apply to:

1. **Bodily injury** or **property damage** that arises out of the ownership, maintenance or use of a motor vehicle as a livery service or for **delivery**. This exclusion does not apply to shared-expense car pools.

3. **Bodily injury** or **property damage** caused by any **person** using an **insured car** without **your** express or implied permission.
4. Use of a **non-owned car** by an **insured person** without the **owner's** permission.

7. **Bodily injury or property damage** that arises out of the ownership or use of an **insured car** when it is:
  - a. Rented or leased to anyone;

    - (1) Shared-expense car pools; or

12. **Bodily injury or property damage** caused by an **insured car** when it is driven by any **person** who is not a listed driver on the **Declarations Page** and who does not have a valid **driver's license**.
13. **Bodily injury or property damage** caused by an **insured person** operating an **insured car** or **non-owned car** while **racing**.
14. **Bodily injury or property damage** arising out of the ownership, maintenance or use of any motor vehicle, other than an **insured car**, which is **owned** by **you** or furnished or

available for regular or frequent use by **you** or any **insured persons**.

15. **Bodily injury or property damage** for which the United States Government is liable under the Federal Tort Claim Act. This exclusion does not apply to the portion of the damages for **bodily injury or property damage** that is less than or equal to the **minimum limits**.
16. **Bodily injury or property damage** resulting from the ownership, maintenance, or use of any motor vehicle by any **person** while engaged in any **business** activities. This exclusion does not apply to **business** use of an **insured car** that has been declared to **us** and for which **you** have paid the additional premium for that use.
17. **Property damage** to property:
  - a. Rented to;
  - b. Used by;
  - c. Transported by;
  - d. Owned by; or
  - e. In the care of;the **insured person**.  
This exclusion does not apply to **property damage** to a residence or private garage not owned by an **insured person, you** or a **relative**, that is rented by **you**.
18. **Bodily injury or property damage** that occurs while the **insured person** is committing a felony or attempting to elude law enforcement personnel. This does not apply to:
  - a. Misdemeanor violations of the motor vehicle or traffic code;
  - b. The portion of damages for **bodily injury or property damage** that is less than or equal to the **minimum limits**; or
  - c. A felony where:
    - (1) The involvement in the felony by the **insured person** is unwillingly and by force; and
    - (2) The **insured person** was not convicted of the felony or a related crime.
19. **Punitive damages.**
20. **Bodily injury or property damage** resulting from the operation of any **car** by a

specifically named excluded driver.

However, if **you** paid the premium for:

- A. Property Damage Liability To Others Coverage, the Named Driver Exclusion will not bar liability coverage for **property damage** which would otherwise apply, but such coverage shall only apply in an amount less than or equal to the **minimum limits**.
  - B. Bodily Injury Liability To Others Coverage and the **accident** is caused by an **insured person** for whom **we** have certified this policy as proof of future financial responsibility when required by Florida law following an **accident**, this Named Excluded Driver clause will not prevent recovery for **bodily injury** Liability To Others Coverage up to the minimum certified limit for **bodily injury** Liability To Others Coverage.
21. **Bodily injury** to which workers compensation benefits apply.

### Limits of Liability

Without regard to the number of:

1. **Insured persons**;
  2. **Cars** insured under this policy;
  3. Separate premiums paid or shown on the **Declarations Page**;
  4. Policies issued;
  5. Claims made;
  6. Vehicles involved;
  7. Heirs or wrongful death beneficiaries involved; or
  8. Lawsuits filed;
- we** will pay no more than the limits of liability shown on the **Declarations Page**. There will be no stacking or combining of coverage afforded to more than one **car** or **insured person** under this policy.

The limit for "each person" is the most **we** will pay due to **bodily injury** sustained by any one **person** in an **accident**, and only the limit for "each **person**" will apply to the total of claims made due to that **bodily injury**, including any and all claims:

1. Derived from such **bodily injury** including, but not limited to:
  - a. **Loss** of society;
  - b. **Loss** of companionship;
  - c. **Loss** of service or support;
  - d. **Loss** of consortium; and
  - e. Wrongful death; and
2. For mental anguish or emotional distress due to observing the **accident** or **bodily injury** occur.

Subject to the **bodily injury** limit for “each person”, the limit for “each accident” is the most **we** will pay for **bodily injury** sustained by two or more **persons** in one **accident**.

The **property damage** liability limit for each occurrence is the most **we** will pay for any damage to property in one **accident**.

No one is entitled to duplicate payments under this coverage for the same element of damages that has been paid by:

1. Any other coverage under this policy;
2. Workers’ compensation or any similar insurance; or
3. Any other source.

The damages for **bodily injury** recoverable by a guest or passenger in:

1. An **insured car**; or
2. A **non-owned car** being operated by an **insured person**;

shall be reduced by any payments made to that **person** under Medical Payments Coverage.

**Our** limit of liability will not be increased for an **accident** because a trailer is attached to an **insured car** or a **non-owned car** at the time of the **accident**.

Any payment to a **person** under this liability coverage shall be reduced by any payments to that **person** under Uninsured Motorist Coverage and/or Underinsured Motorist Coverage.

The damages the at-fault driver is found to be liable for may be reduced by an amount that:

1. Would have been paid or payable as **PIP** benefits to the injured **person** had that **person** had or received **PIP** as required by law; and
2. Represents the deductible that applies to the injured **person's PIP** benefits; as allowed by law.

### Out of State Insurance

If an **accident** to which this Part I applies occurs in any state, territory or possession of the United States of America or any territory of Canada, other than Florida, and the state, province, territory or possession has:

1. A financial responsibility or similar law requiring limits of liability for **bodily injury** or **property damage** higher than the limits shown on the **Declarations Page**, this policy will provide the higher limit; or
2. A compulsory insurance or similar law requiring a non-resident to maintain insurance whenever the non-resident drives a **car** in that state, province, territory or possession, this policy will provide the greater of:
  - a. The required minimum amounts and types of coverage; or
  - b. The limits of liability under this policy.

But, if **you** did not buy **bodily injury** coverage under this Part I, no coverage will be provided for **bodily injury** claims.

### Other Insurance

If other motor vehicle liability insurance applies to an **accident** covered by this Part I, **we** will pay the proportionate share **our** limit of liability bears to the total of all applicable liability limits.

However, any insurance **we** provide for a **car**, other than an **insured car**, will be excess over any other collectible insurance, self-insurance or bond. Except, **our** duty to pay damages and provide a defense will be primary as to a **car**, other than an **insured car**, when compared to a policy issued to the lessor or **owner** of a rental or leased **car**, but only if and when:

1. **You** rent or lease a **car** that **you** do not **own**; and
2. The rental or leasing contract for that **car** has a notice that meets all the requirements of Florida law by stating, in at least 10-point type, that: “The valid and collectible liability insurance and personal injury protection insurance of any authorized rental or leasing driver is primary for the limits of liability and personal injury protection coverage required by ss. 324.021(7) and 627.736, Florida Statutes.”

In this case, **we** are only required to provide the coverage **you** bought for **minimum limits**, and **our** defense duty will apply only to **you** or a **relative**. **We** have no duty to defend the lessor or **owner** of that **car** under this Part I.

### Financial Responsibility Laws

When **we** certify this policy as proof of future financial responsibility, this policy will comply with the minimum Florida financial responsibility laws, as amended, to the extent required for **bodily injury**, **property damage** or both. Part I Coverage is not conditioned upon the **insured person's** satisfaction of any judgment for **bodily injury** or **property damage** liability. **You** must reimburse **us** for any payment **we** make which **we** would not have made under the terms of this policy except for it being certified.

## **PART II – PERSONAL INJURY PROTECTION (“PIP”)**

### Insuring Agreement

Subject to the limits of liability, if **you** paid the premium for Personal Injury Protection (“**PIP**”) when due, **we** will pay:

1. 80% of all **medical expenses**;
  2. **Disability benefits** of:
    - a. 60% of **income loss**; and
    - b. **Replacement services**; and
  3. **Death benefits**;
- to or for an **insured person** who sustains **bodily injury** caused by an accident arising out of the

ownership, maintenance or use of a **motor vehicle**.

If and as required by the **No-Fault Law** in effect on the day of the **accident**, **PIP** benefits will be paid without regard to fault as to who caused the accident.

However, if the **named insured** elected to exclude coverage for the **income loss** portion of **disability benefits**, **we** will not pay **income loss** for the **named insured** and/or any dependent **relative**, as elected.

### Additional Terms for Part II

**PIP** is subject to the following:

1. The coverage territory is:
  - a. Inside the State of Florida; and
  - b. Outside the State of Florida, but:
    - (1) Subject to the territory described in the Policy Period & Territory clause, and
    - (2) Only for **accidents** that involve a **named insured**, or a **relative**, when **occupying an insured car**.
2. Any dispute as to **medical expenses** will be resolved between the service provider and **us**. If the **insured person** is sued for payment of any **medical expense** that **we** have refused to pay because:
  - a. The fee is unreasonable;

### Limits of Liability

The most **we** will pay for **bodily injury** to one **insured person** in an accident is the limit of liability that applies as shown in the **Declarations**

**Page**. Subject to that total limit, the most **we** will pay for **death benefits** for each **insured person** is a \$5,000 sublimit.

Without regard to the number of:

1. **Insured persons**;
2. **Cars** insured under this policy;
3. Separate premiums paid or shown on the **Declarations Page**;
4. Policies issued;
5. Claims made;
6. Vehicles involved;
7. Heirs or wrongful death beneficiaries involved; or
8. Lawsuits filed;

**we** will pay no more than the limit of liability shown for this coverage on the **Declarations Page** for each **insured person**. There will be no stacking or combining of coverage afforded to more than one **car** under this policy.

The maximum limit of liability for the total of all **PIP** benefits shown in the **Declarations Page** is also the total aggregate limit for **PIP** benefits available to or for each **insured person** injured in any one accident, from all sources combined, including this policy.

**PIP** benefits shall be reduced by the deductible amount shown in the **Declarations Page** for the **named insured** and/or any dependent **relative**. The deductible will be applied to 100% of the expenses and losses to which this **PIP** applies, except **death benefits**, before the percentage limiting recovery is applied for **disability benefits** or **medical expenses**. After the deductible is met, the **insured person** is eligible to receive, subject to all other limit, terms and conditions, up to the aggregate limit available under **PIP**.

When determining the amount **we** will pay under this coverage, **we** will apply any limitation and federal or state medical fee schedules applicable to automobile or other insurance coverages permitted by law. No one shall be entitled to payment for medical expenses incurred for services, supplies, treatment or care in any

amount that is more than the maximum reimbursement allowance set forth in the fee schedules, payment limitations, and other payment guidelines of the **No-Fault Law** and/or any schedules and limitations under federal or state law for medical expenses.

**PIP** benefits shall be credited by any amounts paid or payable for the same expense or elements of damages under any state workers' compensation law.

No one will be entitled to duplicate payments for the same elements of damages under this policy or from any other source.

### Other Insurance

This policy's **PIP** coverage is primary to:

1. Other coverage available under this policy for Medical Payments and/or Uninsured Motorist Coverage.
2. A policy issued to the lessor or **owner** of a **car** that also applies to **your** operation of that **car**, but only when:
  - a. **You** rent or lease a **car** that **you** do not **own**; and
  - b. The rental or leasing contract for that **car** has a notice that meets all the requirements of Florida law by stating, in at least 10-point type, that: "The valid and collectible liability insurance and personal injury protection insurance of any authorized rental or leasing driver is primary for the limits of liability and personal injury protection coverage required by ss. 324.021(7) and 627.736, Florida Statutes."

In this case, **our** duty to provide primary **PIP** coverage will only apply if there is in fact **PIP** coverage for the claimant under this policy, and then only to the extent of the minimum amount required by the **No-Fault Law**.

If two or more insurers are obligated to pay **PIP** benefits for the same **bodily injury** to any one **insured person**, the maximum amount payable to or for that **insured person** shall be the

minimum amount required by the **No-Fault Law**. Any insurer paying those benefits shall be entitled to recover from each of the other insurers:

1. An equitable pro rata share of the benefits paid; and
2. Expenses incurred in processing the claim.

Except where **PIP** coverage applies on a primary basis as set forth above, when other **PIP** coverage applies, the order of priority set forth in Florida laws, as amended, shall apply.

### Assignment of Benefits

Payment for **medical expenses** will be paid directly to a physician or other health care provider if **we** receive a written assignment signed by the **insured person** to whom such benefits are payable.

If **we** pay benefits directly to a physician or other health care provider, as directed by the written assignment, **we** have no duty to pay, and have no liability for paying, those same benefits to the **insured person**.

  - g. For **punitive damages**.
2. This coverage shall not apply directly or indirectly to benefit any:
    - a. Insurer or self insurer under any of the following or similar laws:
      - (1) Workers compensation law; or
      - (2) Disability benefits law; or
    - b. Government entity, unit or agency.

If a court with proper jurisdiction finds an exclusion invalid, that exclusion is revised to apply only to the portion of damages that exceeds **minimum limits**.

### Limits of Liability

- If **you** have paid the premium for Non-Stacked UM, then without regard to the number of:
1. **Insured persons**;
  2. **Cars** insured under this policy;

3. Separate premiums paid or shown on the **Declarations Page**;
  4. Policies issued;
  5. Claims made;
  6. Vehicles involved;
  7. Heirs or wrongful death beneficiaries involved; or
  8. Lawsuits filed;
- we** will pay no more than the limit of liability shown for this coverage on the **Declarations Page**. There will be no stacking or combining of coverage afforded to more than one **car** under this policy when **you** buy Non-Stacked UM.

The amount shown on the **Declarations Page** for “each person” is the most **we** will pay for all damages due to a **bodily injury** to one **person** in any one **accident**, and only the limit for “each person” will apply to the total of claims made for **bodily injury** and any and all claims:

1. Derived from such **bodily injury** including, but not limited to:
  - a. **Loss** of society;
  - b. **Loss** of companionship;
  - c. **Loss** of service or support;
  - d. **Loss** of consortium; and
  - e. Wrongful death.
2. For mental anguish or emotional distress due to seeing the **accident** or **bodily injury** occur.

Subject to the “each person” limit the amount shown for “each accident” is the most **we** will pay for all damages due to **bodily injury** sustained by two or more **persons** in any one **accident**.

However, if **you** have paid the extra premium for Stacked UM, then without regard to any terms to the contrary in this Part or policy, the most **we** will pay for all damages arising out of **bodily injury** sustained by **you** or a **relative** in any one **accident** is the limit of liability that applies as shown in the **Declarations Page** for this Part IV coverage and described above, multiplied by the number of **insured cars** shown on this policy with Stacked UM coverage.

No one will be entitled to duplicate payments for the same elements of damages under this policy or from any other source.

Any amount to be paid under this coverage, to or for an **insured person**, will reduce any amount that the **person** is entitled to recover under Part I - Liability To Others.

The total damages an **insured person** is entitled to recover for **bodily injury** from the **owner** or **operator** of the **uninsured motor vehicle** or **underinsured motor vehicle** shall be reduced by:

1. Any amount paid or to be paid because of **bodily injury** by or on behalf of any **persons** or organizations that may be legally responsible, including, but not limited to all sums paid under Part I of this policy;
2. The amounts of the full limits of liability for all liability bonds or policies available to the **owner** and operator of the **underinsured motor vehicle**, even if that **insured person** enters into a settlement agreement for an amount less than the sum of the full limits of liability under all applicable **bodily injury** liability bonds and policies;
3. Any amount paid or to be paid because of **bodily injury** as personal injury protection benefits or any automobile medical expense coverage, including, but not limited to, all sums paid under Part II - **PIP** and under Part III – Medical Payments; and
4. Any amount paid or to be paid because of **bodily injury** under any workers' compensation law, disability benefits law, or similar laws.

The most **we** will pay, subject to all other limits of liability, for **bodily injury** damages to an **insured person** caused by the **owner** or operator of an **underinsured motor vehicle** will be no more than the amount by which the **bodily injury** damages are more than the sum of the amounts of the full limits of liability for all liability bonds or policies available to the **owner** and operator of the **underinsured motor vehicle**, even if that **insured person** enters into a settlement

agreement for an amount less than those full limits.

### Other Insurance

When an **insured person** occupies any vehicle, other than **your insured car**, this insurance shall be excess over any other similar insurance, bonds or self-insurance available to the **insured person**. The insurance, bonds or self-insurance which applies to the occupied **motor vehicle** is primary.

If there is other applicable similar insurance, bonds or self-insurance with the same priority of payment available under more than one policy or provision for coverage on an **accident** covered by this Part, **we** will pay only **our** share of the damages. **Our** share is determined as the proportion that **our** limit of liability bears to the total of all limits applicable on the same level of priority.

If **you** have paid the premium for Non-Stacked UM, then:

1. Any coverage provided as to two or more **motor vehicles** shall not be added together to determine the limit of insurance coverage available to an **insured person** for any one **accident**, except as described here in clause 2.b., below.
2. If at the time of the **accident** the **insured person** is:
  - a. **Occupying a motor vehicle**, the Uninsured Motorist Coverage, or similar insurance, available to that **insured person** shall be the coverage available as to that **motor vehicle**.
  - b. **Occupying a motor vehicle** which is not **owned** by her or him or by a **relative**, the **insured person** is entitled to select the highest limits of Uninsured Motorist Coverage, or similar insurance, afforded for any one vehicle as to which she or he is a named insured or insured resident of the named insured's household. But, such coverage shall be excess over the coverage on the vehicle the **insured**

**person** was **occupying** at the time of the **accident**.

- c. Not **occupying a motor vehicle**, she or he is entitled to select the highest limits of Uninsured Motorist Coverage, or similar insurance, for any one vehicle afforded by a policy under which she or he is insured as a named insured or as an insured resident of the named insured's household.

## **PART V - CAR DAMAGE COVERAGE**

1. A comprehensive **loss**, other than collision, only if the **Declarations Page** shows that Other Than Collision coverage applies for that **insured car**.

A comprehensive **loss** shall not include any **loss** covered as a collision.

**Loss** caused by an **insured car**:

1. Overturning; or
  2. Colliding with or being hit by another object;
- are collision losses to be paid under Collision Coverage. A collision **loss** shall not include any **loss** covered as a comprehensive **loss**.

**Towing and Labor Coverage**

If **you** paid the premium for Towing and Labor Coverage and it is shown on the **Declarations Page**, **we** will pay up to the limits shown on the **Declarations Page** for towing and labor costs incurred each time an **insured car** for which **you** bought this coverage is disabled. This includes the costs associated with emergency flat tire change, tire repair, battery jump, battery repair, fuel delivery (but not the fuel) and locksmith services each time an **insured car** is disabled, subject to the limits shown on the **Declarations Page** for that **insured car**. Covered labor must be performed at the time and place of disablement and does not include routine maintenance of the **insured car**. The maximum amount **we** will pay for any single disablement will be the amount shown on the **Declarations Page** for this coverage for that **insured car**. **You** must provide **us** with a verifiable receipt of the towing or labor charges incurred. This coverage does not apply to towing from entrapment in snow, mud, water or sand, more than 100 feet from a public road or highway.

**Loss of Use Coverage**

If **you** paid the premium for Loss of Use Coverage and it is shown on the **Declarations Page**, when an **insured car** for which **you** bought this coverage sustains **loss** due to a collision, **we** will reimburse **you** for necessary **car** rental charges **you** incur from a licensed rental car agency, while that **insured car** is inoperable due to that **loss**. **We** will pay no more than:

1. The limit shown on the **Declarations Page**; or
2. The **actual cash value** of the **insured car** at the time of **loss**.

Loss of Use Coverage is limited to the period the vehicle is inoperable or under repair.

Loss of Use Coverage will end 72 hours after **we** offer to pay the amount **we** determine is due for a total loss.

No deductible applies to Loss of Use Coverage. The limits set forth above are the most **we** will pay as the result of any one **loss**, regardless of the number of **insured cars** listed on this policy or premiums paid.

**Additional Definition**

4. If **loss** is sustained by more than one **insured car** in the same collision, only the highest applicable deductible will apply.
5. The amount **we** will pay under this Part will be adjusted and reduced for **depreciation**, physical condition and betterment as applicable. **We** do not pay for the amount of any betterment. **You** are responsible to pay for any betterment.

#### No Benefit to Bailee

These coverages shall not directly or indirectly benefit any **person** or entity other than **you** for **loss** to an **insured car**.

#### Appraisal

If **you** and **we** fail to agree on the amount of **loss**, either may:

1. Request an appraisal of the **loss**; or
2. Demand mediation.

If a demand is made for mediation, it must be done:

1. As described in the Claims Mediation clause of the General Provisions; and
2. Before a request for appraisal is made.

If either party requests an appraisal, each will appoint a competent and disinterested appraiser. The appraisers will select a third appraiser to decide any differences. Each appraiser will state separately the **Actual Cash Value** and the amount of **loss**. The award in writing by any two appraisers will be binding and will determine the amount payable. Each party will pay the expenses of its chosen appraiser. The expenses and the cost of the third appraiser will be shared equally.

**We** do not waive any of **our** rights under this policy by agreeing to an appraisal of the amount of **loss**. Coverage issues or disputes under this policy may not be determined by the appraisers.

#### Payment of loss

At **our** option, **we** will pay the **loss** in money, or repair or replace the damaged or stolen property. With **your** consent, payment for repairs may be made directly to a repair shop if damage is repaired.

**We** may, at any time before the **loss** is paid or the property is replaced by **us**, return, at **our** expense any stolen property either to **you** or to the address shown in **our** records with payment for the resulting damage. **We** may keep all or part of the property at the agreed or appraised value, but there shall be no abandonment to **us**. **We** have no duty to preserve salvage.

**We** may make payment for a **loss** to **you** or the **owner** of the **car**. No payment is due under Part V until **you** have fully complied with all of the conditions and duties stated in this policy.

#### Loss Payee & Lienholder's Rights

If a loss payee or lienholder is shown on the **Declarations Page** with respect to an **insured car**, any amount paid for under this Part V for **loss** to that **car** will be paid according to **your** interest and that of the loss payee or lienholder. **We** may make separate payments according to those interests. However, with **your** consent, payment may be made directly to a repair shop when the **loss** is being repaired.

**We** will be subrogated to the loss payee or lienholder's rights of recovery to the extent of **our** payment.

Where a claim is denied for non-cooperation or breach of the **Insured's** duties owed to **us**, the Loss Payee or lienholder's interest will not be protected. Where fraud, misrepresentation, material omission, intentional damage, or conversion, secretion and/or embezzlement of a **car** has been committed by or at the direction of **you** or a **relative**, or where the **loss** is otherwise not covered under the terms of this policy, the Loss Payee or lienholder's interest will not be protected. **We** have no duty to make any payment to a lienholder or Loss Payee unless the **loss** is payable to **you** and all policy terms and conditions have been met.

**We** reserve the right to cancel the policy as permitted by policy terms. Cancellation shall

terminate this agreement as to the Loss Payee's interest.

### Other Insurance

If there is other applicable insurance or source of recovery for **loss** to an **insured car**, **we** will pay the proportionate share **our** limit of liability bears to the total of all available sources of recovery. 1. Be filed with the Florida Department of **Financial Services**, on a form approved by that Department; and
2. State the reason for the mediation demand and the issues in dispute which are to be mediated.

The filing of a demand for mediation tolls the time requirements that apply for filing a lawsuit for a period of 60 days following the conclusion of the mediation process or the time prescribed under Florida laws for Limitations of Actions other than for the recovery of real property, whichever is later.

The Florida Department of Financial Services shall randomly select qualified mediators approved by the Department. Each party may once reject the mediator selected, either originally

or after the opposing side has exercised its option to reject a mediator.

Mediation shall be held no later than 45 days following the demand for it. The date, time, and place of the mediation conference shall be set by the mediator. If so agreed, mediation may be done by telephone. Only one mediation session may be requested for each claim unless the parties agree to further mediation.

Any **person** or party participating in mediation must have the authority to make a binding decision. All parties must mediate in good faith.

The mediation shall be conducted as an informal process in which formal rules of evidence and procedure need not be observed. Disclosures and statements made during mediation shall not be deemed admissions in any subsequent action or proceeding relating to the claim or cause of action giving rise to the claim.

The costs of mediation shall be borne equally by both parties, unless the mediator determines that one party has not mediated in good faith.

A **person** or party demanding mediation may not demand or request mediation after a suit is filed relating to the same facts already mediated.

### Suits Against Us

No legal action may be brought against **us** until there has been full compliance with all terms of this policy.

No one other than an **insured person** under Part I – Liability To Others of this policy shall have any interest in this policy prior to obtaining a verdict against an **insured person**.

No legal action may be brought against **us** for payment under Part I – Liability To Others until:

1. **We** agree in writing that the **insured person**, as defined under Part I, has an obligation to pay damages; or

2. The amount of the damages due under Part I on behalf of an insured has been determined by final judgment after trial.

No one shall have any right to make **us** a party to a suit to determine the liability of an **insured person** under Part I.

No legal action may be brought against **us** to recover any sum under Part II - **PIP** until, and as required by the **No-Fault Law**:

1. The PIP payment being claimed against **us** is overdue, including any additional time allowed by the **No-Fault Law** for **us** to pay;
2. The PIP claimant sends **us** written notice of an intent to initiate legal action against **us**. This notice shall be delivered to **us** by United States certified or registered mail with return receipt requested. The notice shall state that it is a "demand letter under Fla. Statute § 627.736(10)", and shall state with specificity:
  - a. The name of the insured upon which such benefits are being sought, including a copy of the assignment giving rights to the claimant if the claimant is not the insured;
  - b. The claim number or policy number upon which such claim was originally submitted to **us**;
  - c. To the extent applicable:
    - (1) The name of any medical provider who rendered to an insured the treatment, services, accommodations, or supplies that form the basis of such claim; and
    - (2) An itemized statement specifying each exact amount, the date of treatment, service, or accommodation, and the type of benefit claimed to be due; and
  - d. Any other item(s) so required by the **No-Fault Law**.
3. Within 30 days after **our** receipt of the demand letter, **we** have not:
  - a. Paid the overdue claim stated in the demand letter; or
  - b. Agreed to pay in the future for treatment that has not yet been rendered.

In any civil action by a claimant to recover **PIP** benefits from **us**, all claims related to the same health care provider for the same injured person shall be brought in one action, unless good cause is shown why such claims should be brought separately.

No legal action may be brought against **us** to recover any sum under Part III – Medical Payments until a final decision has been made per the **No-Fault Law** as to all benefits due under Part II - **PIP**.

No one may sue **us** to determine the amount of **loss** payable under Part V - Car Damage Coverage until after having complied with the Appraisal clause of this policy.

**We** have no duty to preserve or otherwise retain any salvage for any purpose, including as evidence for any type of court proceeding.

No one may sue **us** to determine the amount payable under Part VI - Accidental Death and Dismemberment Coverage until at least 60 days after written proof of loss has been furnished to **us**. No such legal action may be brought after the expiration of three years after the time written proof of loss is required to be furnished to **us**.

### Our Recovery Rights (Subrogation & Reimbursement)

In the event of any payment under this policy:

1. **We** will be subrogated to all rights of recovery of the **person** or entity to or for whom payment was made against another **person** or organization; and
2. Any **person** to or for whom a payment is made who recovers damages from a liable **person** or entity, or their insurer, shall hold the proceeds of that recovery in trust for **us**.

These rights shall be only to the extent of payments made under this policy. The **person** or organization to or for whom payment was made under this policy will be required to reimburse **us** out of any monies received from

any party or organization liable for damages, or his or her insurance company.

Anyone to whom payment was made under this policy must cooperate with **us**, do whatever is necessary to protect **our** subrogation rights, and do nothing after the **loss** to harm **our** rights. This may include the filing of a lawsuit:

1. Against all parties who may be liable for injuries or damages arising out of the **accident**; and
2. Within the time frame as required by the statute of limitations that applies.

If **we** seek recovery from a liable party:

1. **You** authorize **us** to seek recovery of any applicable deductible. But, **we** have no duty to do so, and **we** will notify **you** if **we** do not intend to proceed to collect the deductible; and
2. **You** agree to be bound by any settlement agreement entered into by **us** and the liable party, or the outcome of any arbitration **we** enter into, for those sums.

**We** reserve the right to compromise or settle the deductible and property damage claims against the responsible parties for less than the full amount. If the total recovery is less than the total of **our** payment and the deductible, **we** will reduce reimbursement of the deductible to **you** based on the proportion that the actual recovery bears to the total of **our** payment and the deductible.

Any reimbursement to **you** by **us** will be reduced by a proportionate share of expenses and attorney fees incurred in connection with the recovery.

If anyone insured under this policy makes recovery from a responsible party without **our** written consent and **our** rights are prejudiced, that insured's rights under any affected coverage will no longer exist.

If payment is made on behalf of anyone insured under this policy to comply with state mandated

coverage, and the policy or any subsequent change in coverage was obtained from **us** as a result of **your** material misrepresentation of the risk to be insured by **us**, which otherwise, had it been known to **us** at the time coverage was agreed to by **us**, **we** would have declined coverage or extension of coverage to **you**, **you** agree to reimburse **us** to the full extent of any **loss** and adjustment expense paid on **your** behalf as a result of **your** material misrepresentation to **us**.

Notwithstanding the rights set forth above in this clause, **we** have no right of recovery for payments made by **us** under Part II - **PIP** that **we** are not entitled to recover under the **No-Fault Law**. Except, **we** shall have a right of reimbursement, to the extent of **our** payment, against the **owner** of a commercial **motor vehicle** and the insurer of the **owner** of a commercial **motor vehicle** as defined under the **No-Fault Law**, for benefits paid as a result of an **insured person occupying** the commercial **motor vehicle** or having been struck by the commercial **motor vehicle** while not **occupying** any self-propelled vehicle.

### Assignment

**Your** interest and rights in this policy may not be assigned or transferred without **our** written consent. Upon the death or end of the marital relationship of the **named insured**, a spouse of that **named insured** who was covered under this policy immediately prior to the death or end of the marital relationship shall upon notice to **us** continue to be covered under this policy for a period of 90 days following that death or end of marital relationship, or until expiration of the policy term, whichever is shorter.

### Policy Changes

This policy, which includes the **Declarations Page**, endorsements issued by **us**, the **Application**, and any coverage election and rejection forms, contains all agreements between **you** and **us**. Its terms may not be changed or

waived except by written endorsement issued by **us**. Notice to any agent or knowledge possessed by any agent or other **person** shall not change or affect a waiver on any portion of this policy nor stop **us** from exerting any rights under this policy.

If a change requires a premium adjustment, **we** will adjust **your** premium as of the effective date of the change. **We** may revise this policy form to provide more coverage without additional premium charge. If **we** revise this version of this policy form, **our** policy will automatically provide the additional coverage as to the date the revision is effective.

**We** rely upon the statements made by **you** in the **Application** for insurance to determine the amount of the premium for this policy. **You** agree to cooperate with **us** in determining if this information is correct and complete and **you** will notify **us** if it changes during the policy period. If this information is incorrect, incomplete, or changes during the policy period, **we** may adjust **your** premium during the policy period or take other appropriate action. To properly insure **your car**, **you** must promptly notify **us** when:

1. **You** change **your** address;
2. Any **resident** operators are added or deleted. **We** will allow up to 30 days to add a newly **resident relative** who has a driver's license;
3. **You** acquire an additional or replacement **car**;
4. Any change in the operators in the household;
5. **You** or a **relative** get married or divorced; or
6. **You** or a **relative** obtains a driver's license or has a driver's license suspended, revoked, or refused.

If the **named insured** has been charged an incorrect premium for the coverage(s) in the first **Application**, **we** will give notice to the **named insured** that more premium is due. When the **named insured** gets that notice, the **named insured** may:

1. Pay the extra amount of premium due and maintain the policy in full force under its

- original terms. This must be done within 10 days from receipt of the notice from **us** to pay the extra amount of premium due;
2. Cancel this policy and request a refund of any unearned premiums. This must be done by giving **us** notice of such within 10 days from receipt of the notice from **us** to pay the extra amount of premium due; or
  3. To do nothing, in which case **we** will then cancel the policy effective no less than 14 days after the date of the notice from **us** to pay the extra amount of premium due.

### Our Right to Re-compute Premium

This policy's premium for **PIP**, Liability to Others Coverage and Uninsured Motorist Coverage is subject to adjustment if the **PIP** rates, rules or premiums must be changed because of a change in the statutory obligations, or an adverse judicial finding as to the constitutionality of any provisions, of the **No-Fault Law** that provide for the exemption of **persons** from tort liability.

If this is a renewal policy, such adjustment shall include the amount of any return premium previously credited or refunded to the **named insured**, in accord with the **No-Fault Law**, with respect to insurance provided under a previous policy.

If the final adjusted premium is greater than the premium shown in the **Declarations Page**, the **named insured** shall owe **us** for:

1. The excess premium amount; and
2. The amount of any return premium previously credited or refunded.

### Non-Cancellable Policy

The terms set out here apply when this policy is issued to reinstate the **named insured's** driving privileges in Florida after those privileges have been revoked or suspended.

The minimum coverages required by Florida law may not be cancelled for any reason by either the **named insured** or **us**. A premium shall be

collected and coverage shall be in effect for the 30-day period during which **we** complete the underwriting of the policy whether or not the person's driver license, motor vehicle tag, and motor vehicle registration are in effect. However, as allowed by Florida law, **we** may cancel:

1. During **our** underwriting period, which is the first 30 days this policy is in effect immediately following the effective date of the first policy period; or
2. At any time if the driver's license of:
  - a. The **named insured**; or
  - b. An **operator** who **resides** in the same **household** as the **named insured** or who customarily operates the **insured car**;
 

is suspended or revoked during the policy period.

Once the non-cancellable provisions of the policy are in effect, the coverage(s) and risk(s) may not be changed during the policy period. The **named insured** must obtain a new non-cancellable policy when adding or changing coverage, cars, drivers or rating territories. If the **named insured** obtains a new 6-month policy from **us**, the **named insured** shall receive credit on the new policy for any premium paid on the previously issued policy.

No refund of premium is allowed for a policy that may not be cancelled.

### Cancellation and Non-Renewal

The **named insured** may cancel this policy by returning it to **us** or by advising **us** when at a future date the cancellation is to be effective. However, the **named insured** may not cancel a policy that has **PIP** and/or property damage liability during the first 2 months after the effective date of the initial policy period, except as follows:

1. The **insured car(s)** is totally destroyed;
2. **Ownership** of the **insured car(s)** is transferred;
3. Another policy covers the **insured car(s)**;
4. The **named insured** has been charged an incorrect premium for the coverage(s) set

- forth in the original **Application** and **we** have given notice of the extra premium due; or
5. The **named insured** is a military service member called to active duty or transferred by the United States Armed Forces to a location where the insurance is not required.

If the **named insured** has been charged an incorrect premium for the coverage(s) in the first **Application**, **we** will give notice to the **named insured** that more premium is due. When the **named insured** gets that notice, the **named insured** may:

1. Pay the extra amount of premium due and maintain the policy in full force under its original terms. This must be done within 10 days from receipt of the notice from **us** to pay the extra amount of premium due;
2. Cancel this policy and request a refund of any unearned premiums. This must be done by giving **us** notice of such within 10 days from receipt of the notice from **us** to pay the extra amount of premium due; or
3. To do nothing, in which case **we** will then cancel the policy effective no less than 14 days after the date of the notice from **us** to pay the extra amount of premium due.

**We** may cancel by mailing notice to the **named insured** shown on the **Declarations Page** at the last known address appearing on **our** records. Notice of cancellation will be mailed at least:

1. 10 days before the effective date of cancellation if due to **failure to pay premium**; or
2. 45 days before the effective date of cancellation if this policy is to be cancelled for any other reason.

**We** may cancel this policy for any lawful reason during the first 59 days of the first policy period. But, **we** will not cancel **PIP** and/or property damage liability coverage for **failure to pay premium** during the first 59 days this policy is in effect unless the reason **we** cancel is due to the issuance of a check for the premium that is dishonored for any reason. When this policy is in effect for 60 days, or if this is a renewal policy,

**we** may cancel only for one or more of the following reasons:

1. The **failure to pay premium**;
2. For material misrepresentation or fraud when applying for this policy;
3. **You** or a **relative** submit a fraudulent claim; or
4. The loss of driving privileges through suspension or revocation of **your** operator's license or motor vehicle registration, or that of a principal operator of **your insured car**. This must have occurred during the policy period or during the 180 days immediately preceding its effective date or, if the policy is a renewal, during its policy period.

With respect to cancellation, this policy is neither severable or dividable. Any cancellation will be effective for all persons and all vehicles.

If this policy is cancelled, coverage will not be provided as of the date and time shown in the notice of cancellation.

Upon cancellation, **you** may be entitled to a premium refund. However, **our** making or offering of a refund is not a notice or condition of cancellation. **We** charge a fully-earned policy fee for each policy term.

If this policy is cancelled by **us** for any reason other than **failure to pay premium**, any refund due will be computed on a daily pro-rata basis, and subject to any fully-earned fees.

If this policy is cancelled at **your** request or due to **failure to pay premium**, any refund due will be calculated at a 90% or pro rata basis, and subject to any fully-earned fees.

**We** will refund 100 percent of the unearned premium if the **named insured** is a servicemember, as defined in Fla. Stat. § 250.01, who cancels because he or she is called to active duty or transferred by the United States Armed Forces to a location where the insurance is not required. **We** may require a servicemember to submit either a copy of the

official military orders or a written verification signed by the servicemember's commanding officer to support this refund. If **we** cancel this policy, **we** will refund 100 percent of the unearned premium to the servicemember.

If **we** decide to not to renew this policy, **we** will mail notice of nonrenewal to the **named insured** shown on the **Declarations Page** at the last known address appearing in **our** records. Notice will be mailed at least 45 days before the end of the policy period.

If **we** decide to not to renew this policy, **our** decision will not be based solely on any of the following or combination of the following:

1. The insured's: sex, occupation, marital status, residence, military service, or age.
2. The insured's: race, color, creed or national origin.
3. The principal place of garaging of the **insured car** in Florida.
4. The insured was involved in a motor vehicle **accident** unless **we** in good faith determine that the insured was substantially at fault in the **accident**.
5. The insured has had only one **accident** in which he or she was at fault within the current 3-year period. But, **we** may refuse to renew a policy under which the insured has had 3 or more **accidents**, regardless of fault, during the most recent 3-year period.
6. The insured commits a non-criminal traffic infraction unless it is:
  - a. A second infraction committed within an 18-month period;
  - b. A third or subsequent infraction committed within a 36-month period; or
  - c. A violation of Florida laws prohibiting operation of a vehicle at an unlawful speed when such violation is a result of exceeding the lawful speed limit by more than 15 miles per hour.
7. A traffic infraction when adjudication has been withheld and no points have been assessed per Florida laws that apply to non-criminal traffic infractions. But, this does not apply to traffic infractions involving

- accidents** in which **we** have incurred a **loss** due to the fault of the insured.
8. The handicap or physical disability of the insured, so long as that handicap or physical disability does not substantially impair such person's mechanically assisted driving ability.
9. Domestic violence.
10. The insured being a public official.
11. Any reason that is unlawful, arbitrary or capricious.

### Automatic Termination

Coverage for **your insured car** shall terminate automatically when anyone other than **you** or a **relative** becomes the **owner** of the vehicle.

This policy will terminate automatically at the end of the current policy period if **we** offer to renew or continue **your** policy and **you** do not accept the offer. **Our** renewal offer is considered rejected if there is any **failure to pay premium**, when due, for the renewal.

If other insurance on an **insured car** is obtained, any similar insurance provided by this policy will terminate as to that **insured car** on the effective date of the other insurance.

### Proof of Notice

- We** may mail or deliver any notice to the **named insured**. Sufficient proof of notice shall be made by:
1. United States postal proof of mailing, or certified or registered mailing, of notice to the **named insured** at the address shown in the policy for any notice that:
    - a. The policy is cancelled;
    - b. The policy is not to be renewed;
    - c. Includes the reasons for cancellation; or
    - d. **Our** intent is to issue a policy by another insurer under the same ownership or management;
  2. Any type of proof of mailing or delivery of any other notice.

### Our Right to Void for Fraud or Misrepresentation

We have the right to void this policy from its inception if **you** provided false material information or omitted material information in **your Application**. This policy is issued in reliance upon information provided on **your Application**. We will void this policy from inception if **you**:

1. Made material false statements or representations to **us** as to any material fact or circumstance;
2. Concealed or misrepresented any material fact or circumstance; or
3. Engaged in fraudulent conduct; at the time of **application**.

No coverage is provided for any **accident** or **loss** if **we** void this policy.

If **we** void this policy and **you** or **your** assignee or representative contest **our** rescission of this policy, **you** must reimburse **us** for all of **our** attorney fees, costs and expenses when **we** prevail in such legal action.

### Our Right to Void for Failure of Initial Payment

Coverage under this policy is conditioned upon **our** receipt of complete and unconditional payment of the initial down-payment of premium. If **you** make **your** initial payment by check, this policy is void as if never issued, and there will be no coverage at any time, if the initial payment is not honored for any reason when first presented for payment to **your** bank or financial institution. If this policy is void **we** will not cover any claims, loss or damages of any kind. **You** must reimburse **us** for any amounts **we** are required by law to pay after **we** void the policy.

**We** will not void this policy from its inception, but only if the initial down-payment of premium that was made by a check and returned unpaid is then cured within the earlier of:

1. 5 days after actual notice, sent by certified mail, is received by the **named insured**; or
2. 15 days after notice is sent to the **named insured** by certified or registered mail.

### Policy Conformed to Statutes

Terms of this policy that are in conflict with the statutes or other applicable law of the state where **you reside** when this policy is issued, as shown in **our** records, are hereby amended to conform to the applicable state law. All other terms remain in full effect.

### Fraudulent Claims

**We** do not provide coverage for, or payment to, **you**, a **relative** and/or any other **person** when any **person**:

1. Commits fraud against **our** interest; or
2. Intentionally makes misrepresentations in connection with any **accident** or **loss**.

This shall apply to preclude all coverage and benefits under this policy for all **persons** and as to all interests. Except as otherwise set forth directly below in the next clauses, a denial under this clause:

1. Means ALL coverage and benefits under this policy may be denied; and
2. Is not limited to only the interest of the **person** whose conduct is the basis of **our** denial of coverage.

As to Part II – **PIP**, **our** right to deny **PIP** coverage or benefits under this Fraudulent Claims clause will apply so that **PIP** benefits shall not be due or payable to or on the behalf of an **insured person** under **PIP** if that **person** has committed, by a material act or omission, any insurance fraud relating to **PIP** under his or her policy, if the fraud is:

1. Admitted to in a sworn statement by the **insured person**; or
2. Established in a court of competent jurisdiction.

For that **person**, any insurance fraud related to **PIP** shall:

1. Void all such **PIP** and any other coverage arising from the claim related to such fraud for that **person** who committed the fraud, or his or her assignee, even if a portion of that **person's** claim may be legitimate.
2. Require that any and all benefits paid to that **person** or assignee prior to the discovery of the fraud be reimbursed to **us** by the **person** or assignee who committed the fraud.
3. That in an action to enforce **our** right of recovery, the prevailing party is entitled to its costs and attorney's fees.

### Conditions Precedent

There is no coverage provided under this policy until there has been full compliance with all of the terms and conditions of this policy.

### Bankruptcy

The bankruptcy or insolvency of a **person** insured by this policy, or that **person's** estate, shall not relieve **us** of **our** obligations under this policy.

### **YOUR DUTIES & REPORTING ALL ACCIDENTS AND LOSSES**

**IMPORTANT:** For coverage as described in this policy to apply, all notice requirements, duties (those listed here and under any coverage that applies), and policy terms that apply must be properly performed. Not doing so may result in a claim or coverage being partially or fully denied.

### Notice of an Accident or Loss

In the event of an **accident** or **loss**, it must be reported to **us** or one of **our** authorized agents as soon as practicable. The report must give time, place and circumstances of the **accident** or **loss** including the names and addresses of all injured parties and all witnesses involved in the **accident** or **loss**. If an **accident** or **loss** is not reported as soon as practicable, coverage may be denied if **our** rights are prejudiced.

**Other Duties**

Anyone claiming any coverage under the policy must:

1. Cooperate with **us** and assist **us** in any matter concerning a claim or lawsuit. If a **person** does not cooperate with and assist **us**, coverage may be denied if **our** rights are prejudiced.
2. Refuse to assume any obligation or incur any unreasonable and unnecessary expenses at the time of the **accident** or **loss**.
3. Immediately send **us** any legal papers relating to any claim or lawsuit.
4. Submit to medical exams, including physical and/or mental examinations, at:
  - a. A reasonably accessible site picked by **us**; and
  - b. **Our** expense; by physicians **we** select as often as **we** may reasonably require. **We** will reimburse:
    - a. Reasonable costs for transportation as shown by receipts; or
    - b. Mileage at an amount of 16.5 cents per mile according to the 2010 standard mileage rate set by the Internal Revenue Service for operating an automobile for medical services; if transportation costs are incurred to get to and from an exam **we** request.
5. Authorize **us** to obtain medical, wage and other records. Any medical records requested will pertain to the **bodily injury** arising from an **accident**.
6. Provide any written proof of **loss** that **we** require.
7. At a site picked by **us**, submit to statements or examinations under oath and subscribe to the same as **we** may reasonably require. **We** may require that such statements or examinations be recorded and videotaped, as well as conducted individually and outside the presence of witnesses or other **persons** seeking coverage or benefits under this policy. A personal representative of the **person** claiming coverage may be present so long as that representative is not one who is seeking coverage or benefits. If a claimant

assigns benefits to any entity, these duties apply equally to that entity, and **we** may choose any representative of that entity to appear.

8. Provide **us** with any personal financial information **we** request for underwriting, policy servicing or claims handling purposes, or provide **us** with written authorization to obtain such information. This includes such information as social security numbers, credit history and any other related information. AssuranceAmerica limits both the collection and use of customer information to the minimum needed to administer **our** business.
9. Provide information required by state or federal law.

Anyone claiming Uninsured Motorist Coverage must contact the police within 24 hours, or as soon as is practicable, after the **accident** if a hit and run driver is involved and must promptly send **us** copies of any legal papers if suit is brought. If an **accident** with a hit and run driver is not reported to the police as described here, Uninsured Motorist Coverage may be denied if **our** rights are prejudiced.

Anyone claiming any coverage under this policy must also:

1. Take reasonable steps after **loss** to protect an **insured car** and its equipment from further **loss**. If **you** fail to do so, any further damage will not be covered under this policy. **We** will pay reasonably necessary expenses incurred in providing that protection.
2. Report the total theft of the **car** to the police promptly and as soon as practicable after the **loss**.
3. Allow **us** to inspect and appraise the damage to an **insured car** before its repair or disposal.
4. If a hit and run motorist is involved, adequate proof of loss and a statement under oath must be filed with **us** within 30 days of **our** request.
5. Give **us** any forms required to be provided to **us** by the Florida motor vehicle insurance inspection laws. Failure to do so, or failure to

have **your auto** inspected when and as required by law, may result in coverage denial or suspension.

## **ENDORSEMENTS**

These Endorsements are separate coverage options that are not part of **you** policy unless selected by **you** and they appear on the **Declarations Page**. When any Endorsement applies, all other terms, limits and conditions of the policy that do not conflict with the terms of the Endorsement shall continue to apply.

THE FOLLOWING NAMED DRIVER NON-OWNED COVERAGE ENDORSEMENT APPLIES ONLY IF FORM NUMBER E-400 APPEARS ON YOUR DECLARATIONS PAGE.

### **NAMED DRIVER, NON-OWNED COVERAGE**

If **you** have elected Named Driver, Non-Owned Coverage, **we** will only cover the permissive use of a “**non-owned car**” by the **named insured**. The following policy changes shall apply:

1. The general policy definition of “**you**” and “**your**” are revised and “**you**” and “**your**” mean the **named insured**. No entity or **person** other than the **named insured** has any insurance under this policy.
2. The definition of “**insured person**” is revised in all parts of the policy and “**insured person**” means the **named insured**. No entity or **person** other than the **named insured** has any insurance under this policy.
3. No coverage applies under the policy for use of any **car** other than the permissive use of a **non-owned car** by a **named insured**.
4. No coverage applies under the policy for any **person** other than the **named insured**.
5. The “**Other Insurance**” clause in every part of this policy is revised and any insurance **we** provide shall be excess over any other applicable insurance, self-insurance or bond providing the same or similar insurance or benefits. However, this does not apply as to coverage under Part I - Liability to Others and Part II – **PIP** but only when **our** duty to pay damages, provide a liability defense, and provide **PIP** benefits will be primary as

compared to a policy issued to the lessor or **owner** of a rental or leased **car** because:

- a. **You** rent or lease a **car** that **you** do not **own**; and
- b. The rental or leasing contract for that **car** has a notice that meets all the requirements of Florida law by stating, in at least 10-point type, that: “The valid and collectible liability insurance and personal injury protection insurance of any authorized rental or leasing driver is primary for the limits of liability and personal injury protection coverage required by ss. 324.021(7) and 627.736, Florida Statutes.”

In this case, **our** duty to pay damages applies only for **minimum limits** and **our** defense duty with respect to liability coverage will apply only to the **named insured**. **We** have no duty to defend the lessor or **owner** of that **car**.

6. No Car Damage Coverage applies under the policy.

THE FOLLOWING NAMED DRIVER EXCLUSION ENDORSEMENT APPLIES ONLY IF FORM NUMBER E-500 APPEARS ON YOUR DECLARATIONS PAGE.

### **NAMED DRIVER EXCLUSION**

- (i) A person or entity licensed under part III of Chapter 401 which provides emergency transportation and treatment.

The limit of liability for **death benefits** is \$5,000 and is separate from the limits of liability for **medical expenses** and **disability benefits**.

2. **We** will not pay more than the limit of liability shown on the **Declarations Page** for each **insured person** in any one **accident**, without regard to the number of:
  - a. **Insured cars** under this policy;

  - a. Will be applied for **bodily injury** to:
    - (1) The **named insured**; and

For **disability benefits**, the deductible is applied before the 60% limitation of reimbursement.
  - c. After the deductible is met, the **insured person** is eligible to receive up to the aggregate limit available under **PIP**, subject to all other limits, terms and conditions.
  - d. A separate deductible shall apply to each **accident**.
4. No one is entitled to receive duplicate payments from **us** for the same elements of damages that have been paid by **us** or any other source, which may include:
  - a. Any other coverage under this policy;

- b. Any other policy **we** or another insurer issue; or
  - c. Workers' compensation or any similar insurance.
5. **PIP** benefits shall be credited by any amounts paid or payable for the same expense or elements of damages under any state workers' compensation law.
  6. If **we**, or an affiliate insurer, have issued more than one policy to **you** with coverage for **PIP**, **we** will not pay more than the highest limit of liability that applies to the **insured person** under one policy. The limit of liability may not be added, combined or stacked with similar coverage under any other policy issued by **us** or an affiliate insurer.
  7. The maximum limit of liability for **PIP** benefits shown on the **Declarations Page** is the total aggregate limit for **PIP** benefits available to or for each **insured person** injured in any one **accident**, from all sources combined, including this policy.
  8. When determining the amount **we** will pay for **medical expenses** under this Part II the following **Medical Fee Schedule** shall apply to limit the amount to be paid by **us**, and shall supersede any conflicting terms in the policy:
 

**Medical Fee Schedule:** Benefits apply only for reasonable **medical expenses** for **medically necessary** services. Reimbursement for **medical expenses** is limited to no more than 80 percent of the following schedule of maximum charges, subject to § 627.736(5)(a), Florida Statutes, as amended:

    - a. For emergency transport and treatment by providers licensed under chapter 401, Florida Statutes, 200 percent of Medicare.
    - b. For emergency services and care provided by a hospital licensed under Chapter 395, Florida Statutes, 75 percent of the hospital's usual and customary charges.
    - c. For emergency services and care as defined by § 395.002(9), Florida Statutes, provided in a facility licensed under Chapter 395, Florida Statutes, rendered by a physician or dentist, and related hospital inpatient services rendered by a physician or dentist, the usual and customary charges in the community.
    - d. For hospital inpatient services, other than emergency services and care, 200 percent of the Medicare Part A prospective payment applicable to the specific hospital providing the inpatient services.
    - e. For hospital outpatient services, other than emergency services and care, 200 percent of the Medicare Part A Ambulatory Payment Classification for the specific hospital providing the outpatient services.
    - f. For all other medical services, supplies, and care, 200 percent of the allowable amount under:
      - (1) The participating physicians fee schedule of Medicare Part B.
      - (2) Medicare Part B, in the case of services, supplies, and care provided by ambulatory surgical centers and clinical laboratories.
      - (3) The Durable Medical Equipment Prosthetics/Orthotics and Supplies fee schedule of Medicare Part B, in the case of durable medical equipment.

However, if such services, supplies, or care is not reimbursable under Medicare Part B, then the amount payable is limited to 80 percent of the maximum reimbursable allowance under workers' compensation, as determined under § 440.13, Florida Statutes and rules adopted thereunder which are in effect at the time such services, supplies, or care is provided.
    - g. Services, supplies, or care that is not reimbursable under Medicare or workers' compensation will not be paid or reimbursed.

For the purposes of this **PIP** coverage, the applicable fee schedule or payment limitation under Medicare is the fee schedule or payment limitation in effect as of March 1 of the year in which the services, supplies, or care is rendered, which applies throughout the remainder of that year, notwithstanding any subsequent change made to the fee schedule or payment limitation. The fee schedule that applies may not be less than the allowable amount under the applicable schedule of Medicare Part B for 2007 for medical services, supplies, and care subject to Medicare Part B.

If a provider submits a charge for an amount less than the amount determined by the fee schedule or other limitations established by § 627.736, Florida Statutes, or any other provisions of the **No-Fault Law**, **we** will pay 80 percent of the amount of the charge that was submitted.

**We** may change codes that **we** determine have been improperly or incorrectly upcoded or unbundled, and may make payment based on the changed codes, without affecting the right of the provider to dispute the change. **We** will contact the health care provider before doing so, and discuss the reasons for the change and the health care provider's reason for the coding, or make a reasonable good faith effort to do so.

- D. Clause 4 in the **Additional Terms for Part II** is deleted and replaced with the following:
  4. **We** will not pay for any portion of any **medical expense**:

- a. That is greater than the reimbursement set forth above in the **Medical Fee Schedule**;
- b. If the fee is unreasonable under the **No-Fault Law**, as amended, or otherwise;
- c. For treatment of a **bodily injury** that was not caused by the **accident**;
- d. If the service is not necessary for the diagnosis and treatment of the **bodily injury**, or prevention of illness, injury, disease or symptom; or
- e. When the care or service(s) rendered is:
  - (1) Not lawfully provided, supervised, ordered, or prescribed by a health care provider or entity who is properly licensed and acting within the scope of that license as authorized or required by the **No-Fault Law**, as amended;
  - (2) By a provider whose care or services are not reimbursable under the **No-Fault Law**, as amended, at the time the service or care is rendered; or
  - (3) Otherwise not required to be paid under the **No-Fault Law**, as amended.

When **we** pay only a portion of a claim, or **we** reject a claim, **we** will provide the **insured person** an itemized specification of each item that **we** reduced, omitted, or declined to pay. If **our** decision is due to an alleged error in the claim, upon receiving the explanation, the **insured person** making the claim, at his or her option and without waiving any other legal remedy for payment, has 15 days to submit a revised claim, which shall be considered a timely submission of written notice of claim.

E. The following is added to **Additional Terms for Part II**:

9. If the **No-Fault Law**, as amended:
  - a. Requires a person, entity or facility providing medical services, supplies or care to be licensed under Florida law in order to receive reimbursement under the **No-Fault Law**, as amended, such license is required under this **PIP** coverage; and
  - b. Prohibits any type of care or care provider from being included in **PIP** coverage, the coverage under this policy shall conform to that law.
10. Within 30 days after receiving a request for the log from the **insured person** or the **insured person's** representative, **we** will provide the **insured person** a copy of **our** log of benefits paid for **medical expenses, disability benefits or death benefits** due to **bodily injury** sustained by that **insured person**.
11. If there is any dispute between **us** and an **insured person**, or their assignee, upon request from the **insured person** or their **assignee** that **we** give notice of when the **PIP** policy limits have been reached, **we** will give such notice within 15 days after the limits have been reached.

F. The following is added to the **Our Recovery Rights (Subrogation & Reimbursement) of Part VII – General Provisions**, and shall only apply to **PART II – PERSONAL INJURY PROTECTION (“PIP”)**:

If **we** have a reasonable belief that an **insured person** has committed, by a material act or omission, insurance fraud relating to personal injury protection coverage, **we** shall give written notice to the **insured person** within 30 days after submission of the **PIP** claim that such claim is being investigated for suspected fraud. **We** shall, no later than 90 days from the submission of the claim, either:

1. Deny the **PIP** claim; or
2. Pay the **PIP** claim;

in accordance with the **No-Fault Law**. If **we** deny a claim due to fraud and the fraud is admitted to in a sworn statement by an **insured person** or established in a court of competent jurisdiction, all coverage under **PIP** for the claim of the **insured person** who committed the fraud is void, irrespective of whether a portion of the **insured person's** claim may be legitimate, and any benefits paid before the discovery of the fraud is recoverable by **us** in its entirety from that **insured person**. In any lawsuit filed by **us** to enforce **our** right of recovery due to such fraud, the prevailing party is entitled to its costs and attorney fees.

**Our** right of reimbursement does not apply to an owner or registrant of a motor vehicle used as a taxicab as identified in § 627.733(1)(b), Florida Statutes.

G. The following is added to the policy under **Fraudulent Claims**:

If **we** have a reasonable belief that a fraudulent insurance act, for the purposes of § 626.989 or § 817.234, Florida Statutes, has been committed, **we** will notify the **insured person**, in writing, within 30 days after submission of the claim that the claim is being investigated for suspected fraud. Beginning at the end of the initial 30-day period, **we** have an additional 60 days to conduct **our** fraud investigation. No later than 90 days after the submission of the claim, **we** will deny the claim or pay the claim with simple interest as required by the **No-Fault Law** from the day the claim was submitted until the day the claim is paid. All claims denied for suspected fraudulent insurance acts will be reported to the Division of Insurance Fraud.

- H. Clause 4 set forth in **Other Duties** under **YOUR DUTIES & REPORTING ALL ACCIDENTS AND LOSSES** is deleted and replaced by the following, and any **insured person** claiming any coverage under the policy must:
4. If the mental or physical condition of an **insured person** is reasonably deemed relevant by **us** to any claim , submit to physical and mental examinations and tests at:
    - a. A reasonably accessible site picked by **us**; and
    - b. **Our** expense;by physicians or other qualified health care providers **we** select as often as **we** may reasonably require. **We** will reimburse:
    - a. Reasonable costs for transportation as shown by receipts; or
    - b. Mileage at an amount per mile determined by standard mileage rate set by the Internal Revenue Service for operating an automobile for medical services in effect at the time of the services;if transportation costs are incurred to get to and from an exam or test **we** request.

If an **insured person** unreasonably refuses to submit to, or fails to appear at, any physical and mental examination, **we** are no longer liable for subsequent personal injury protection benefits. An **insured person's** refusal to submit to, or failure to appear at, two examinations raises a rebuttable presumption that the **insured person's** refusal or failure was unreasonable.

- I. The following is added to **Other Duties**:
